F'ċerti każi, il-passaport il-ġdid minflok dak mitluf jinħareġ biss għal żmien limitat.

9. Jekk diġà għandek passaport, jekk jogħġbok ġibu miegħek meta tiġi biex tapplika għall-passaport il-ġdid. Il-passaport il-qadim jingħatalek lura kkanċellat meta tiġi biex tiġbor il-ġdid (dejjem jekk m'hemmx xi restrizzjonijiet).

11. Jekk inti miżżewweġ/miżżewġa jew separat/a, trid timla wkoll **Taqsim 3** u trid timla d-dettalji kollha mitluba. Normalment, ma jkollokx bżonn iġġib iċ-ċertifikati oħra.

13. L-applikazzjonijiet għall-persuni 'l fuq minn **18-il sena** jridu jingiebu mill-applikant stess. Il-passaport lest ta' persuni 'l fuq minn **18-il sena** jista' jiġbru **biss** l-applikant personalment. Il-passaporti ta' dawk taħt it-18-il sena jingabru **biss u strettament** minn xi wieħed miż-żewġ ġenituri, li jrid/trid juri/turi l-Karta tal-Identità tiegħu/tagħha. F'kull każ, **Prokura mhix aċċettabbli**, u l-**Karta tal-Identità** flimkien mal-irċevuta trid turihom dejjem meta tiġi biex tiġbor il-passaport.

Din il-formola tista' tinkiseb mill-**Uffiċċju tal-Passaporti**, mill-**Għases tal-Pulizija**, mill-**Kunsilli Lokali**, mill-**Aġenziji Ewlenin tal-Ivvjaġġar** u minn fuq il-**website tagħna www.passaporti.gov.mt**

14. Bħala Stat Membru tal-UE, Malta għandha tiegħu identifikaturi bijometriċi mill-applikant b'konformità **MAR-Regolament tal-Kunsill (KE) Nru 2252/2004** dwar l-istandards għall-karatteristiċi ta' sigurtà u l-bijometrika f'passaporti u dokumenti tal-ivvjaġġar maħruġa mill-Istati Membri.

15. Filwaqt li tfal ta' età ta' 6 snin jew aktar għandhom jittieħdu l-Uffiċċju tal-Passaporti biex jitteħdilhom ritratt bijometriku, tfal ta' età ta' **12-il sena jew aktar** għandu jitteħdilhom ukoll *scan* tal-marki tas-swaba' meta japplikaw għal Passaport.

16. Jekk ma tkunx tista' tipprovdi l-marki tas-swaba' bijometriċi meħtieġa minħabba problemi temporanji ta' saħħa, il-passaport tiegħek jinħareġ b'perjodu ta' validità ta' **sena jew inqas**. Ikun jista' jinħareġ passaport għall-perjodu sħiħ ta' validità meta l-individwu ma jkunx affettwat aktar mill-problema temporanja ta' saħħa. F'każijiet bħal dawn, l-applikant għandu jippreżenta l-passaport attwali tiegħu biex jiġi kkanċellat, u għandu jippreżenta l-Formola A mimlija kif suppost flimkien mal-filas dovut.

17. Huwa **biss** f'każijiet fejn applikant ma jkunx jista' jagħti l-marki tas-swaba' tiegħu minħabba kundizzjoni medika jew fiżika permanenti li xorta waħda jingħata passaport **b'perjodu sħiħ ta' validità**. **Madankollu, każijiet bħal dawn jiġu evalwati separatament, mill-Uffiċċjal tal-Passaporti jew minn persuna awtorizzata minnu/minnha. L-applikant xorta waħda jkollu jmur personalment l-Uffiċċju tal-Passaporti biex jitteħidlu ritratt diġitali u biex iħalli l-firma tiegħu.**

18. Fi kwalunkwe każ, jekk applikant ta' età ta' 12-il sena jew aktar **ma jkunx jista' jmur personalment** biex japplika għall-passaport u biex jitteħdulu l-marki tas-swaba' minħabba raġunijiet mediċi temporanji jew permanenti, mard jew kumplikazzjonijiet relatati max-xjuħija, il-passaport jinħareġ dejjem **b'perjodu ta' validità ta' sena jew inqas**. F'każijiet bħal dawn, l-applikant jinsab obligat li jippreżenta iċ-ċertifikat mediku bħala prova tal-problema ta' saħħa li jkun iddikjara li jbati minnha.

19. F'każ mhux mistenni li l-apparat għat-teħid tal-marki tas-swaba' ma jirnexxilux jieħu l-marki tas-swaba' tal-applikant minħabba problema teknika (speċjalment f'każijiet urġenti u għal passaporti mitluba barra mill-ħinijiet tax-xogħol), l-Uffiċċju tal-Passaporti joħroġ passaport **b'perjodu ta' validità ta' sena jew inqas** mingħajr marki tas-swaba' kodifikati.

20. Meta l-passaport ikun lest biex jinġabar (ara wkoll in-Nota 13 mehmuża man-Noti tal-Formola A), l-applikant jintalab biex terġa' titteħidlu *scan* tal-marki tas-swaba'. Dan jiżgura li l-marki tas-swaba' miżmuma fiċ-ċipp tal-passaport ikunu identiċi għall-marka tas-swaba' tal-persuna li tkun ġiet biex tiġbor il-passaport. **L-applikanti kollha ta' 12-il sena jew aktar għandhom jiġu personalment biex jiġbru l-passaport tagħhom (minuri għandhom ikunu dejjem akkumpanjati minn, allinqas wieħed mill-ġenituri tagħhom).** Jekk il-marki tas-swaba' ta' min jippreżenta ruħu biex jiġbor il-passaport ma jaqblux mal-marki tas-swaba' kodifikati fiċ-ċipp tal-passaport, il-passaport **ma jinħariġx** u l-kwistjoni tiġi investigata mill-Uffiċċjal tal-Passaporti.

NOTES FOR FORM A

Please read these notes carefully before you start filling the form. Besides, this application should not be countersigned until it is completely filled in, signed and dated by the applicant. Applicants over 14 years of age must present their Identity Card when submitting this application (see also note 13). **ALL APPLICANTS OF 12 YEARS AND OVER MUST APPLY PERSONALLY IN ORDER TO HAVE THEIR FINGERPRINTS TAKEN AT THE PASSPORT OFFICE. A MEDICAL CERTIFICATE MUST BE SUBMITTED WHEN AN APPLICANT CANNOT APPLY PERSONALLY.**

1. If you are a Maltese citizen, you are eligible for a Maltese passport. You should fill in the **FORM A** if you wish to apply for a Maltese passport. This application form is used for submitting a **First-time passport**, a **Passport renewal**, an **Urgent application**, an **Emergency Document**, a **Document of Identity** or for **replacing a lost, stolen or destroyed passport**. It is also used in case of refugees applying for a **Convention Travel Document (Convention of the 25th July, 1951)**.

2. A new passport is required whenever there is a change in name or surname, even by marriage. Changes have to be registered at the Public Registry. Passports will be issued only on the name and/or surname originally registered at the Public Registry. The full fee is to be paid in such cases. A change in name other than by marriage or adoption must be substantiated by civil status certificates issued by the Public Registry in Malta or Gozo. A change in name adopted by Deed Poll in any foreign country **will not be recognised**, unless the change is registered at the Public Registry.

3. Maltese passports are also issued to subjects claiming Maltese citizenship through registration, naturalisation, dual nationality or marriage. If you possess the nationality or citizenship of another country, you **may lose** this when you get a Maltese passport. Please check with the competent authorities of the other country before submitting your application. Kindly note that the Passport Officer may demand further certificates and/or documents to establish, without doubt, your claim for Maltese nationality.

4. **Children are no longer included in their parent's passports. They should have their own separate passport.** The application for a minor's passport has to be submitted **in person** by either one of the parents. **The parent calling to submit his son's/daughter's application must produce both parent's Identity Cards.** Passports for persons under 18 must also be collected by a parent/tutor **upon presentation of one of the parent's/tutor's ID card.** Applications for minors under 18 years of age **are not accepted** if sent by post and the application **will not be processed** by the Passport Office. The parent's/tutor's consent has to be completed for all applicants under 18 years of age, and the **recommender must witness both parents'/tutors' signatures** before adding his/her countersignature at Section 7. **The same recommender should also sign Section 8.**

5. If both parents are dead, the tutor/s **must sign** the consent at **Section 7**. Any other person claiming tutorship during the lifetime of the parents, shall produce the Court Order committing the child/ren to his/her/their tutorship. **Both** Identity Cards of the tutors must be produced when submitting the application. The passport has to be collected by the tutor **upon presentation of his/her ID card.** In all cases, the same recommender should also sign **Section 8** of the application form, after checking the identities of both tutors.

6. If you hold a valid Identity Card and you are a person over 14 years of age, do not bring any passport photos with you. Your passport photos will be taken at our office, with the exception of:

- a) persons who are unable to call in person at the Passport Office (due to health reasons, old age or sickness); and
- b) children under 6 years of age.

In these two cases **only, 6a and 6b**, another form (available from the Passport Office), has to be filled in, while the Form A, together with one of the photos, has to be endorsed by a recommender before submitting the application.

In the case of minors aged under 14 years and of persons who do not hold a valid Maltese Identity Card, the photos have to be provided by the applicant. As already explained, these photos and the application Form A have to be endorsed by the same recommender. **The applicant would still have to call in person at the Passport Office to have his/her biometric photo taken by the department.**

For children aged under 6, the Passport Office will be using the photos submitted with the application, and so young children are not required to call at our offices to have their biometric photos taken. However, you would still need to fill in the application form, which has to be endorsed in Section 7 and Section 8 by the recommender. The recommender must also endorse the child's photo.

For minors aged between 14 and 17 years, the application Form A should **always** be endorsed by a recommender at **Section 7** and **Section 8**. **These 14 to 17 year olds would still be required to take their biometric passport photo at the Passport Office.** One of the parents has to call in person with their child and produce **both parents' ID cards when submitting the application.**

In those instances (as explained above) where the applicant has to produce the passport photos, then one should produce **two** identical recent **coloured** photographs taken on a **white background** and preferably on non glossy paper. The size should be 40mm x 30mm. The face has to be facing straight to the camera and must have a neutral expression. The photographs should be taken full face without hat and not wearing tinted glasses. Slot machine photographs, textured photographs, group photographs, inferior quality photographs and photographs subject to fading or sensitive to heat, **are not acceptable**. The recommender is required to endorse thus: "Certified true likeness of Mr/Ms(name and surname of applicant)" on the reverse of **one copy** and **add his/her signature**.

7. If you are over 18 years and this is your first application, you have to complete all details requested on this form. **Section 8** should be completed and signed by a recommender, who has known you personally for at least **two years**. This person should be a public officer not below the grade of Principal or analogous grade, a professional person, a Minister of Religion or any other person of similar standing. Remember that applications for passports of persons under 18 years of age, must also be signed by the same recommender in **Section 7** as explained in paragraph 6 above. **Section 8 need not be filled in if you are over 18 years and you submit a Maltese passport and Identity Card.**

8. If your passport is lost, stolen or destroyed, you should file in a Police report at the nearest Police Station. **Your application will not be processed if you do not submit the Police Report.** You should also take an oath or a sworn declaration at the Passport Office. You should give the full details and any other reason for the passports' non-availability. A new passport replacing the lost, stolen or destroyed passport can only be issued after full investigation takes place. The new passport replacing the lost/stolen/destroyed passport may be issued valid for a restricted period.

9. If you hold a passport, please bring this passport with you when applying for the new passport. The old passport, cancelled by the Passport Office, will be handed back to you when you collect the new passport (provided no special restrictions apply).

10. If you are single, **you need to fill in Section 2.** No certificates are normally required, provided your birth and your father's birth certificates are registered at the Public Registry.

11. If you are a married or a separated applicant you should also fill in **Section 3**, giving all details of spouse. Provided your spouse's birth and your spouse's father birth are registered at the Public Registry, no certificates are normally required.

12. If you or any of the persons indicated in paragraphs 10 and 11 are not born in Malta and/or are not registered at the Public Registry, you have to register your birth and/or your marriage at the Public Registry before submitting your form for a Maltese passport.

13. Applications for adults **over 18 years** of age **must be** submitted personally. Passports for adults **over 18 years of age** should be **collected by the applicant in person**. Passports **of minors** are to be strictly collected by either one of the applicants' parents, presenting his/her ID card. A **Power of Attorney is not acceptable** and in all cases, the ID card and receipt **must always be presented on collection**.

The passport form is available from the **Passport Office**, the **Police Stations**, the **Local Councils**, major **Travel Agencies** and from our website **www.passaporti.gov.mt**

14. As an EU Member State, Malta is required to collect biometric identifiers from the applicant in accordance with Regulation (EC) 444/2009 of the European Parliament and of the Council of 28 May 2009 amending Council Regulation (EC) No 2252/2004 on standards for security features and biometric in passports and travel documents issued by Member States.

15. Whereas persons aged 6 years and over must call personally at the Passport Office to have their biometric photo taken, all persons aged **12 years and over** must also have their fingerprints scanned upon application for **A PASSPORT**.

16. If due to a temporary impairment you are unable to provide the necessary fingerprint biometrics, your passport will be issued with a validity period of **1 year or less**. A passport for the full term may be issued once the individual recovers from the temporary impairment. In such cases, the applicant will have to submit his current passport for cancellation and submit Form A duly filled in together with the relevant payment.

17. Only in those cases where an applicant is permanently unable to provide his/her fingerprints due to a medical or physical condition, he/she will still be issued with a passport valid for **its full validity**. However such cases have to be assessed on a one-to-one basis by the Passport Officer or his/her designate. The applicant would still be required to attend at the Passport Office **in person** to have the digital photo and signature taken.

18. In all cases, if an applicant aged 12 years or above is **unable to call in person** to apply for the passport and provide the fingerprints due to temporary or permanent medical reasons, sickness or old age, the passport will always be issued **with a validity period of 1 year or less**. In such instances, a medical certificate must invariably be produced to sustain the applicant's claim of infirmity.

19. In the unlikely event that the fingerprint capture stations fail to capture the applicant's fingerprint due to a technical problem (especially in urgent cases and for passports requested outside office hours), the Passport Office will issue the passport valid for **1 year or less** and without encoded fingerprints.

20. When the passport is ready for collection (vide also Note 13 attached to the Notes for Form A), the applicant will be requested to have his fingerprint scanned once more. This will ensure that the fingerprints stored on the passport's chip are identical to the fingerprint of the person collecting the passport. **All applicants aged 12 years or over must call in person to collect their passport (minors must always be accompanied by, AT LEAST one of their parents).** If the fingerprints provided on collection of passport do not tally with the fingerprints encoded on the passport's chip, the passport **will not** be released and the matter will be investigated by the Passport Officer.

21. **Passport fees**, payable **in advance**, are the following:

A Maltese citizen may hold only one valid Maltese passport at a time, except as otherwise authorised by the Director Civil Registration. Applicants and recommenders are warned that the making of untrue statements for the purpose of procuring a passport is a criminal offence punishable by fine and/or imprisonment.
